Anya Damirón · Pablo Pino

A vibrant, stylized illustration of a horse in a stable. The horse is brown and white, standing on a dirt path. It has two baskets hanging from its back, one in each hand, and two more baskets on the ground. The stable is made of wood with a blue roof. In the background, there is a wooden fence, a large green tree, and a landscape with a river and mountains under a colorful sky. A wooden well with a black pump is in the foreground on the right.

He wants to be
one of the first ones to arrive
to discover which of them are
the tastiest!

Horse

has woken up early today.
There's a new market
across the river
full of fruits that he has never tasted.

Ready for his
big adventure,
he trots singing.

“There’s a new market,
we’re almost there!
The freshest fruits
we’re going to taste!”

From the distance,
someone is watching,
someone is listening...

Who is it?

Baa!

Baa!

Baa!

Sheep

gets closer and shouts:

“Waaait, Horse!

Where are you going so fast?

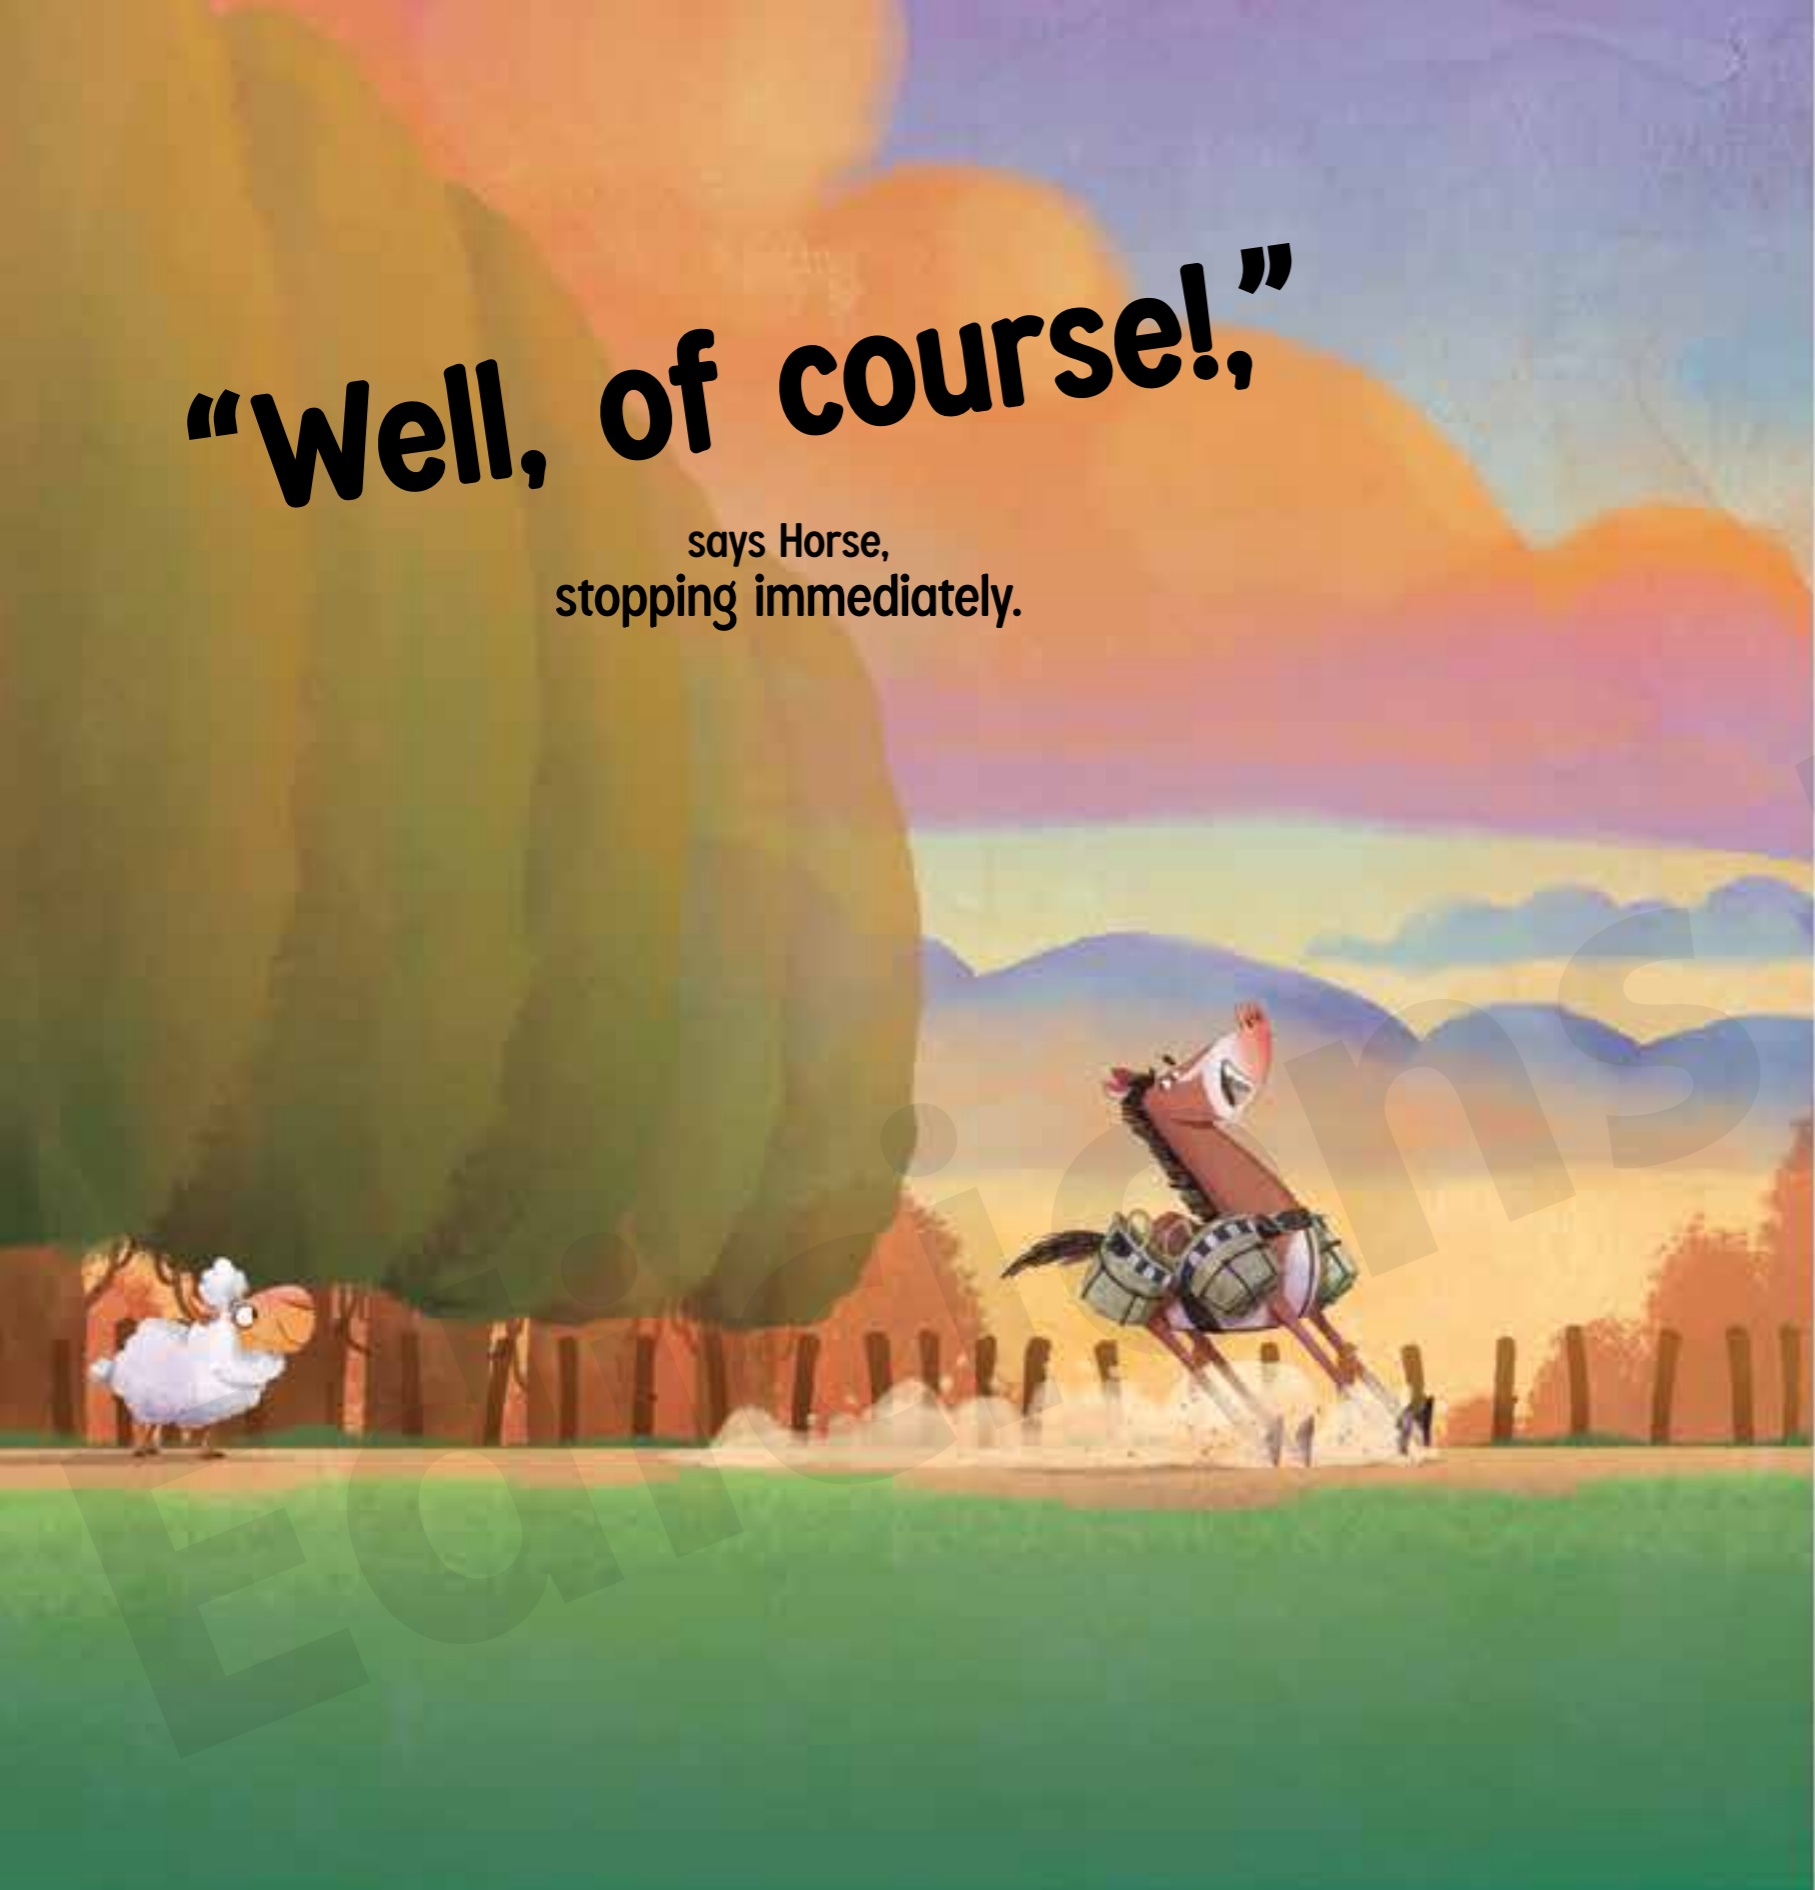

Perhaps to the market?

If so,

I want to go with you!”

“Well, of course!”

says Horse,
stopping immediately.

Sheep

jumps up,
settles in a basket,
and together, the two of them, leave singing...
