

My name is *Monica*
but everyone calls me **MINIMONI**.
When I ride my *bicycle* I am faster than the wind!
I like swallows, strawberry cream **CAKES** and listening to
the stories my *mother* tells me.
At home, I take care of the plants on the balcony,
because I love watering them
and telling them *nice things*
so that they grow up quickly.

But what I like best of all is... **PAINTING !!!**

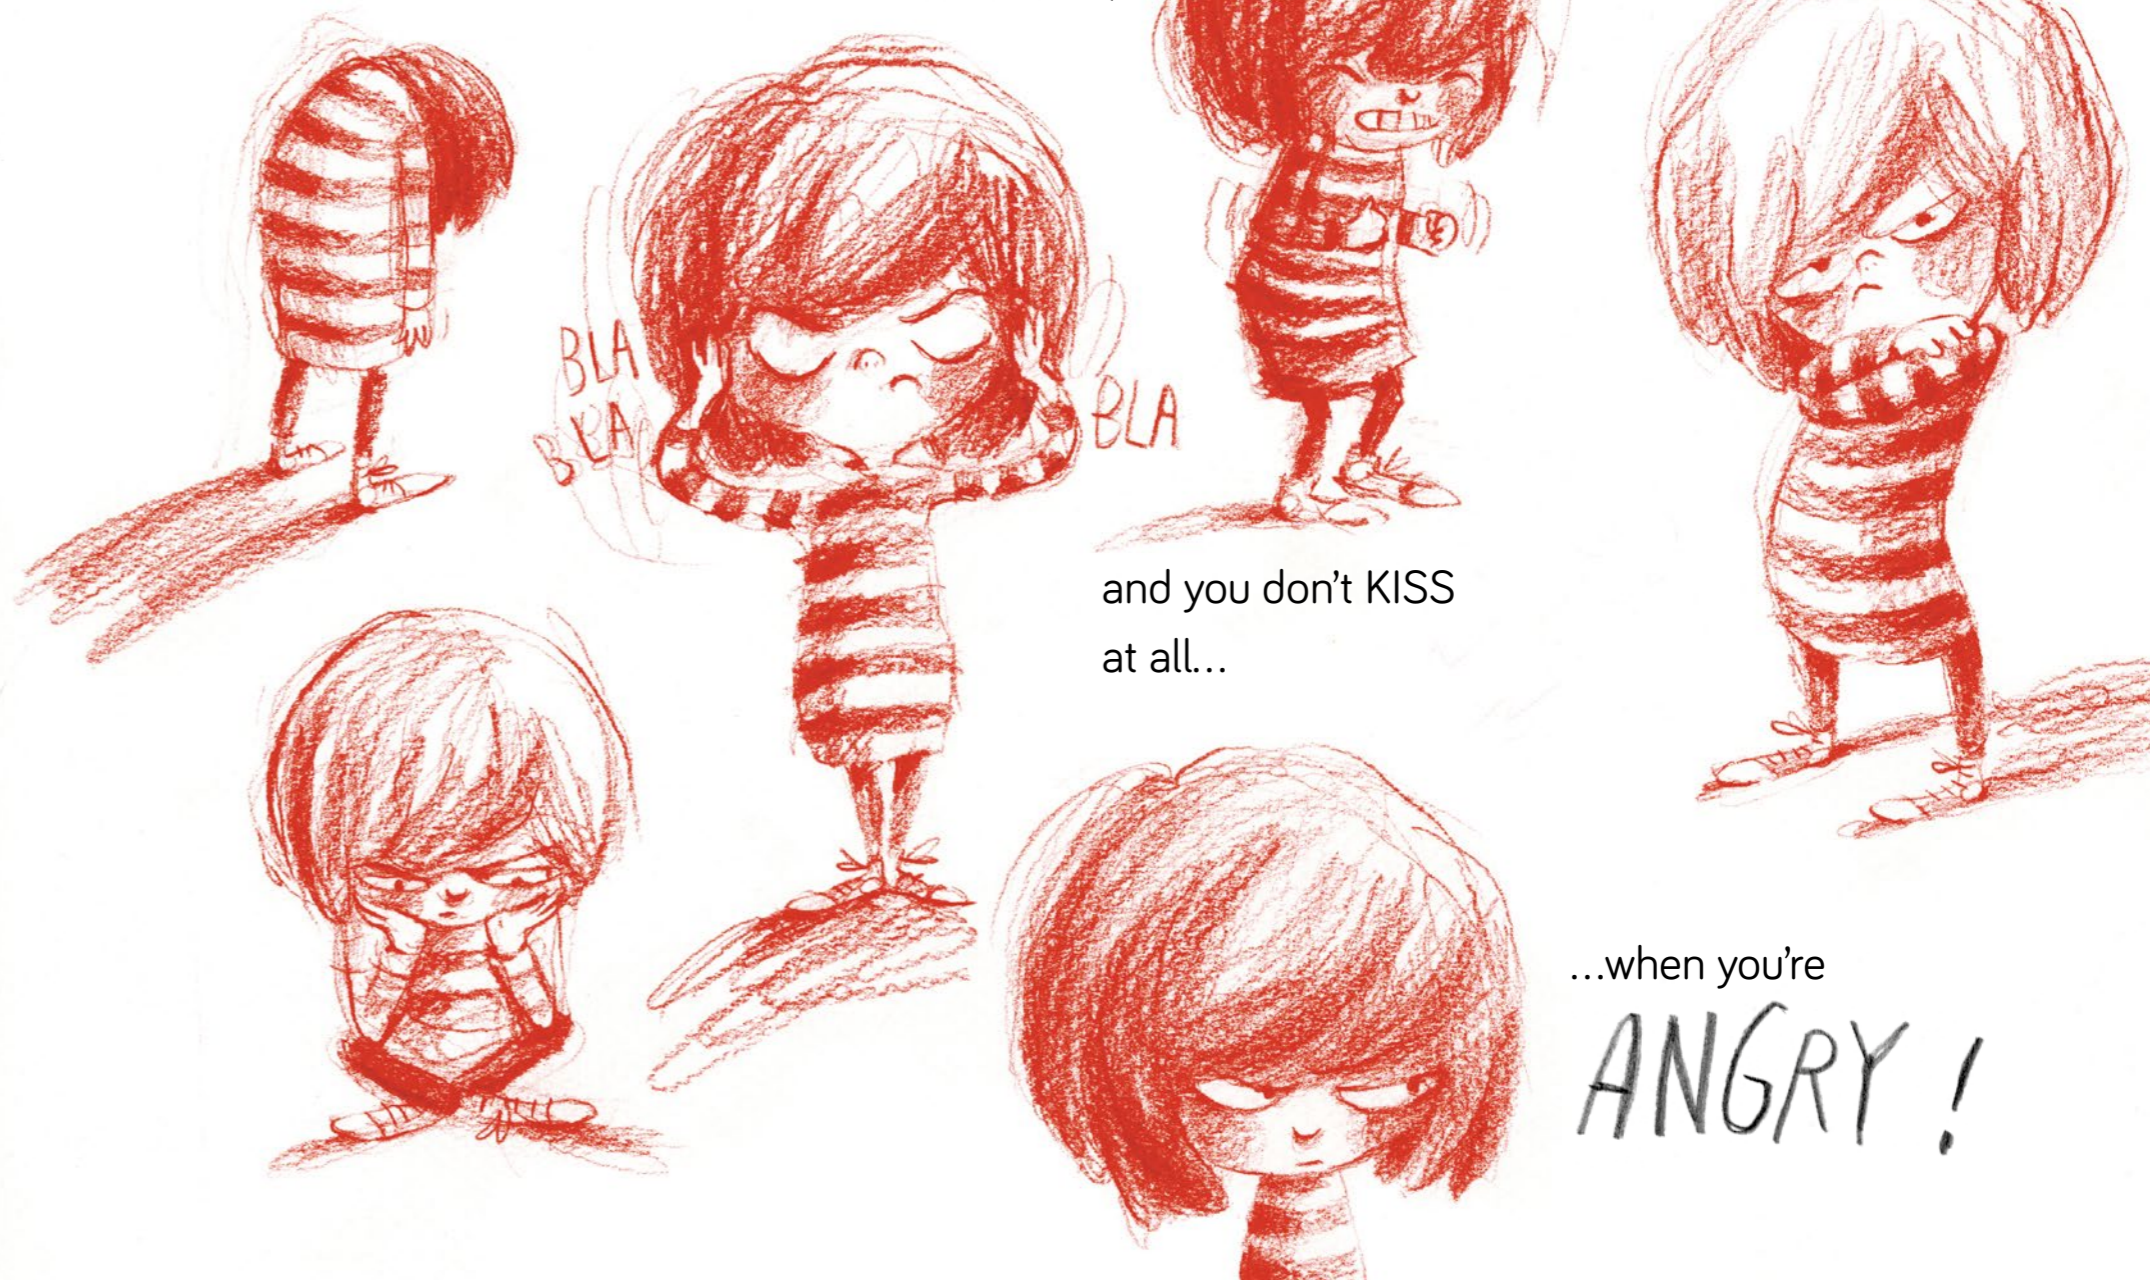

I paint a *million* things with my colours. I know how to paint **RED** ladybirds, **BLUE** skies and **YELLOW** bananas. I have even painted *rockets*, *penguins* and *gorillas*, but... I have never painted a **KISS**.

Could I paint it **RED**
like my spaghetti SAUCE?

NO way, I don't think so!
They say that **RED**
is the COLOUR OF **ANGER**,

and you don't KISS
at all...

...when you're
ANGRY!

What about **GREEN?**

I like the colour of *Crocodiles!*

But I do not like **VEGETABLES,**
and vegetables are also **GREEN...**

Not *broccoli*

nor
chard

nor *peas!*

Well, perhaps *artichokes,*
just a little bit...
