

SNEEZES!

Flu

CROCO DOC

bromera

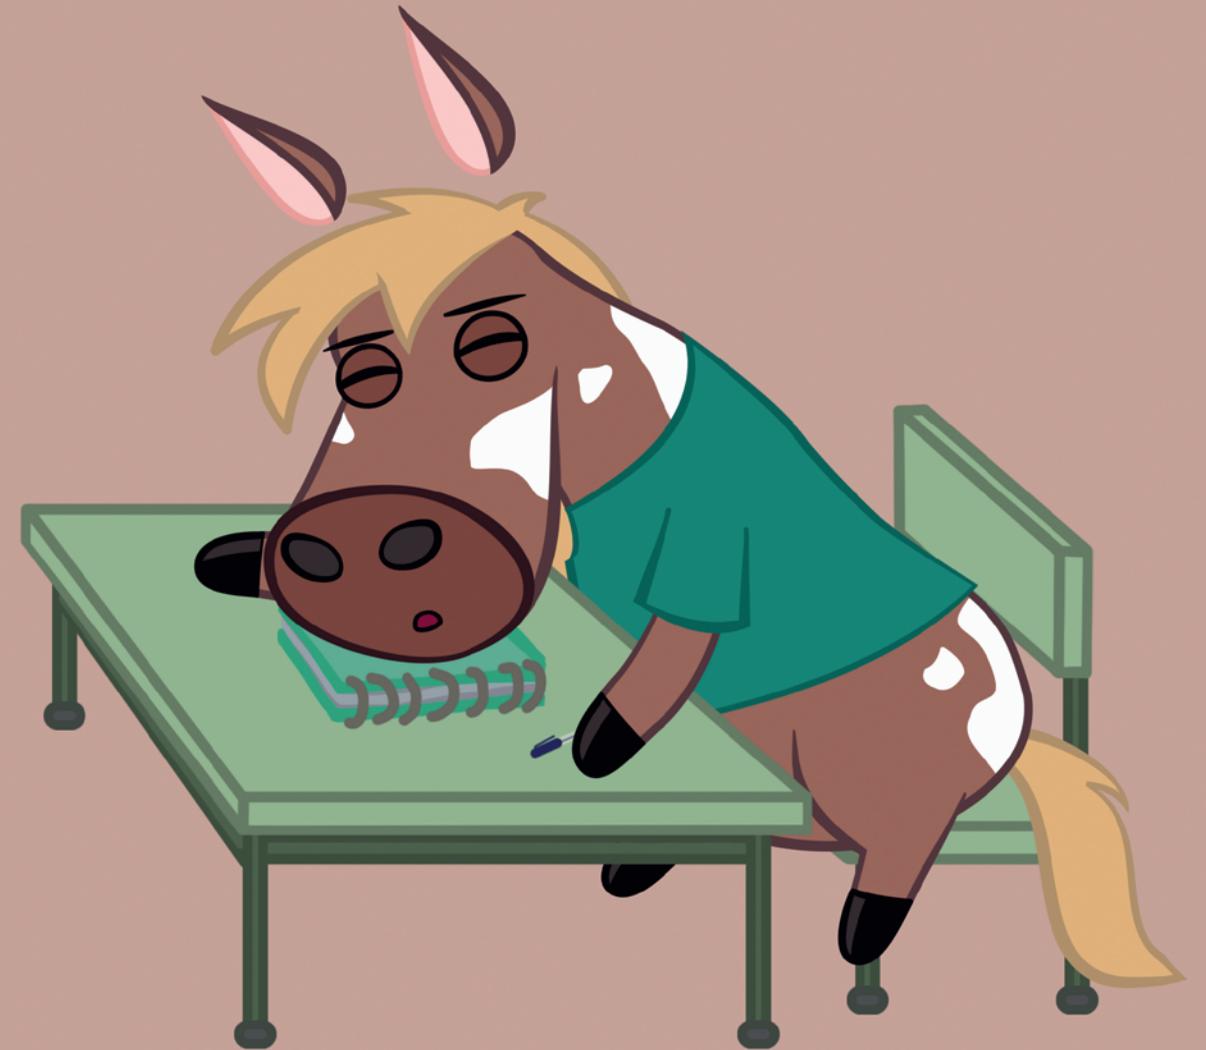

Today is just a regular school day in Zoolandia, but Nina is very excited. Tomorrow is her birthday! "Great!" thinks the little koala. "I'll celebrate it with all my friends!"

But Bruno the horse isn't feeling very well. His head hurts, he's tired, and he can't stop sneezing: "Achoo!"

Nina moves away from him so she doesn't catch whatever he has. She doesn't want to get sick right before her birthday!

That afternoon,
when she arrives
home, the little
koala starts
sneezing.

“Achoo! Oh no!” says
Nina. “Bruno gave me
his cold!”
Mama Koala looks
at her, worried.
