A Little Tree

**Written by Catalina Gómez Parrado
Illustrated by Marina Sàez**

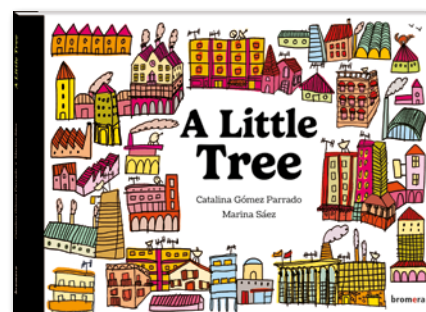

Can a city grow without leaving nature behind?

A city grows. A tree remains.

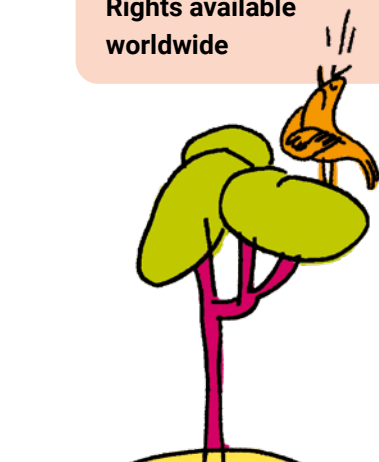

As a small settlement grows into a bustling city, one tree finds itself running out of space. When adults decide it is no longer useful, children remind everyone why trees matter.

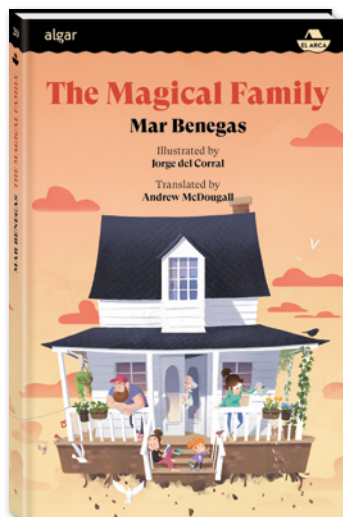

An award-winning picture book about sustainability, community and the power of children to inspire change.

- Universal ecological message that celebrates children's creativity and responsibility.
- Cross-generational message for children and adults.

ALGAR PICTURE BOOK AWARD

The Magical Family

Written by Mar Benegas
Illustrated by Jorge del Corral

When her mother flies away because of her dress and a lion appears in the living room, aspiring journalist Ana starts recording everything. Her investigation leads to a family secret that changes everything.
