ANYA DAMIRÓN & PABLO PINO

Ivan
loves
superheroes...

Since he was little, he used to make
capes with anything he could find!

...really, anything!

He once tried to fly like Superman!

But,
he couldn't do it.

And, pretending to be Spiderman,
he tried to climb up really tall trees...

He was always running around the house to make his cape fly!

And then; one day, his father came home
with a very special surprise:
a **Super Ivan** costume!
