This is the story of an elephant.

But not any elephant. This elephant was

big.

He was **very,**

very

BIG!

HUGGE!

Truly IMMENSE!

(Even for an elephant)

He was so,
so big that it was
hard for him to walk...

To balance himself, he had to move
his body from one side to the other.

His steps always sounded:

Tun!

TuUuN!

And that was his name:

Tuntun.

Tun!

TUN!

Tuntun!

Tuntun!
